

Beginning Guitar - Ms. Ruth Petersen, Instructor
1st Semester or 2nd Semester - 2018-2019 (A Days)
8th Grade

Introduction and Overview

Welcome to Beginning Guitar! Playing a musical instrument is not only fun, but has also been scientifically proven to increase brain-power and improve grades and test scores. In fact, one study showed that the average student uses up to 20% of their brain during the school day, but the average student who plays an instrument uses 90%!!!! Congratulations on your decision to do this for yourself!

Our focus for this class will be to first get all students proficient in basic guitar playing techniques, and then to branch out into as many styles of music as possible by the end of the semester. The school does NOT provide guitars for students, so **all students are required to have their own acoustic guitar**. **Students are expected to bring their guitars each class day and take them home to practice.** Buyer beware - if you are not sure what kind of guitar to buy or where to buy, please e-mail me with questions. You should be spending about \$100-\$350 (street price) for a decent beginning guitar.

Required Materials (Please bring on August 29th.)

Each student must have the following:

- An acoustic guitar with a case (I strongly recommend nylon-string guitars or steel-string with light strings.) A hard case is preferred, but soft cases are acceptable.)
- A check or cash in the amount of \$22 per student for the guitar book. The students get to keep the books when the class is over. Checks should be made payable to BMS Band Boosters and money should be turned in with the last page of document **IMMEDIATELY** so that I can order the books.
- Several picks
- A tuner that clips onto the headstock of the guitar
- A pencil

Optional Materials

These materials are not required but students may find them useful or fun:

- A guitar strap.
- An extra set of strings.
- A book of guitar chords or an app for an iPad/iPhone (There are many books available. Buy one with the most chords you can find.)
- Guitar polish/polishing cloth

Goals for the Year, Class Rules and Expectations, and Grading Policy will be handed out on the first day of class.

65% = Formal Assessments: Performances, Concerts, Tests, Projects

35% = Informal Assessments: Participation, Classwork, Homework, Quizzes

A = 90-100 (Excellent Performance)

B = 80-89 (Very Good Performance)

C = 70-79 (Satisfactory Performance)

D = 60-69 (Inconsistent, Low Performance)

F = Below 60 (Unsatisfactory Performance)

To Contact Me:

I will be happy to discuss homework, grades, assignments, or any other class matters with you. Please feel free to call me at school (980-343-1068) or e-mail me (r.petersen@cms.k12.nc.us). Please note: my last name is spelled "sen" on the end.
